Theology

Theology, Doctrinal. Here are entered works on the doctrines of Christianity treated collectively. Works on Christian dogma in the abstract are entered under Dogma. Works on the dogma or doctrines of non-Christian religions are entered under the individual religion with subdivision Doctrines, e.g. Buddhism—Doctrines.

Black theology | Feminist theology
Womanist theology

Feminist theology. Here are entered works on the feminist critique of traditional Christian theology and on the construction of an alternative theology from a feminist perspective. Works on the relationship between feminism and Christianity are entered under Feminism—Religious aspects—Christianity.
